<b>4. Chairs' Instructions</b>
--------------------------------

1. Please be seated at the Next Chair's Seat (to the front right of the room) 10 minutes prior to the session you will be chairing.
2. There will be no announcements made at the beginning of the sessions. Please start when the time has come. Please use the timer on the Chairs' desk as necessary. Yellow light will turn on at one minute before the end of the session. Red light will turn on at the end of the session.
3. The time schedule is very tight. Please finish the session on time.  
◆**Plenary sessions & Concurrent oral sessions**  
**EAVA invited lecture:** 30 minutes including presentation and discussion.  
**JSV special lecture/EAVA special presentation:** 20 minutes including presentation and discussion.  
**Concurrent joint session:** 10 minutes presentation and 2 minutes for discussion.

<b>5. Concerning Conflict of Interest</b>
-------------------------------------------

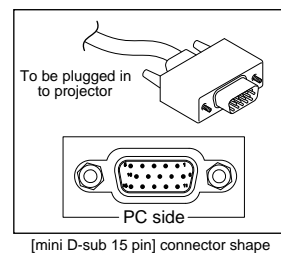

All speakers must disclose any COI (Conflict of Interest) on the second slide of the presentation.  
All Poster Presenters must disclose COI (Conflict of Interest) on the lower right-hand corner of the poster.

<b>6. Oral Presentations</b>
------------------------------

1. The time schedule is very tight. Please keep the allotted time strictly.  
**EAVA invited lecture:** 30 minutes including presentation and discussion.  
**JSV special lecture/EAVA special presentation:** 20 minutes including presentation and discussion.  
**Concurrent joint session:** 10 minutes presentation and 2 minutes for discussion.  
  
- Timer is set at the podium. Yellow light will turn on at one minute before the end of the session.  
Red light will turn on at the end of the session.  
- Please be seated at the Next Speaker's Seat (in front of the podium) 10 minutes prior to your presentation time.  
- **All slides should be performed in English.**  
**(For concurrent oral sessions, discussions may be conducted in Japanese.)**  
- **Oral presentation should be performed in English for 2<sup>nd</sup> EAVA and in English or Japanese for 1<sup>st</sup> JSV.**
2. Presentation Data
  - 1) Only computer presentation is available.
  - 2) Data in USB flash memory drive or PC are accepted. (CD-RW, MO, FD, ZIP are not allowed.)
  - 3) Operating systems available are Windows 10.  
There will be no Macintosh computers available at the venue.  
Please bring your own PC if you wish to use Macintosh.
  - 4) Application software available are Windows PowerPoint 2007/2010/2013/2016.
  - 5) All presentation data should be prepared in English.
3. Data Acceptance
  - 1) Please submit data to the PC Center (12F Foyer) for your presentation at least 30 minutes before the start of the session. The speakers of the first session of the day are recommended to bring in the data on the day before.

PC Center open hours  
Friday, March 9 8:30~17:00  
**When bringing your data in notebook computers**

- Western Japan, including Osaka, is on 100 V, 60 Hz. The plug type in Japan is type A with two flat blades without a ground pin, the same type widely used in the US and Canada.
- Speakers' notebook computers must be equipped with a D-Sub 15-pin output, standard monitor terminal. Some thin, light-weighted notebook computers, such as SONY VAIO Note and Apple PowerBook G4 may not have built-in ports.
- Speakers are requested to bring their own adapter for connection between PC and projector, and/or an electric transformer when these are necessary.

### When bringing your data in USB memory

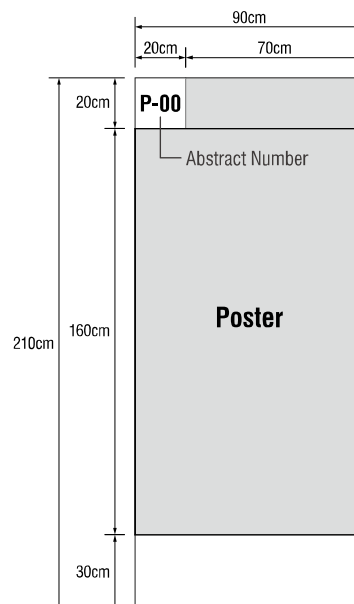

- After saving the presentation data on the USB memory, please confirm that the data can be activated at other PCs.
- The data will be copied onto the server and USB memory will be returned to the speaker.
- Presentation files should be named as "abstract number\_name".  
i.e.) P01-01\_JohnBrown, LS2\_MarySmith (presentation file extensions may be .ppt or .pptx)
- Use standard fonts on the OS. Use of specialized fonts may cause garbling and displacement.  
[Recommended fonts]  
Arial or Times New Roman
- Animations and movies may be used, though it is highly recommended to be used with your own notebook computer. When bringing them in USB memory, comply with the below:
  - Only wmv format files are accepted. Other formats are unacceptable
  - Save the movie data in the same folder, so the link with the PowerPoint will be maintained
  - It is recommended that you bring your own PC as backup to the movie data
  - Please let the operator know if you are using sound data
- The presentation data will be deleted by the secretariat responsibly.
- All energy-conserving functions such as screen-savers, sleep/power saving modes should be disabled on laptops to be used in the presentation.

### 2) PC operation during your presentation

- Liquid-crystal display monitor, keyboard, and mouse will be set on the podium. Please turn to the next page by yourself. If you have difficulties with PC operations, please inform the secretariat in advance.

## 7. Poster Presentations

- All posters must be prepared in English.
- The poster venue is located at the behind space of Room1202.
- Poster mounting and removal hours are as follows:  
**Mount posters:** March 9 (Fri) 8:30~18:00  
Posters should be up all the time.
- Posters should be posted on the designated board space of 180 cm height and 90 cm width with the abstract number of your paper.
- Abstract Numbers, pins and equipment necessary for mounting posters will be prepared by the secretariat at the venue.
- Title, Author's name, Affiliation should be prepared by yourself.
